05 EDITION 30th JULY 2021

## Editorial

Though many of us may not realize the grave disparities that exist in our own communities, people face hunger in every county and congressional district. They could be our neighbors, kids in our classes – the possibilities go on and on.

Become an Advocate and make a difference toward ending hunger by joining the Solve Hunger family in a few easy steps:

1. Email: [solvehunger@solvehungercorp.org](mailto:solvehunger@solvehungercorp.org) if a part of a food source, OR
2. Download and create an account in the Solve Hunger app if you are a volunteer.
